**Wednesday 5th December 2012**

**Restaurant Name**

Restaurant Name previously had a food hygiene rating of 2. This was awarded on Wednesday 5th December 2012 by Maidstone Borough Council.

**Right to Reply**

The establishment has been thoroughly cleaned and procedures are in place to ensure that cleanliness is maintained. The conditions found at the time of the inspection were not typical of the normal conditions maintained at the establishment and arose because we were doing shop refit the time officer visited the premises, so things were not in order it should be.

*Please Note: Reports contain previous ratings for establishments. These previous ratings should be used for information and education purposes only. Only the current rating for the establishment should be considered when choosing to use this establishment or basing any judgement on the cleanliness and hygiene.*

All information was correct at time of report generation. This information supplied by the UK Food Standards Agency.
